

PRESS RELEASE

The Bank of Ghana has taken note of media reports following comments made by the Minister of Health in respect of the use of the Bank Hospital for the treatment of COVID-19 patients.

The Bank confirms that it has been in discussions with the Ministry of Health to agree on an arrangement to avail parts of the facility, to assist in the treatment of severe and critical cases of COVID-19. This arrangement will be available for the benefit of the general public.

The Bank wishes to assure the public of its support of the national effort towards the management of the COVID-19 pandemic.
